house in the city. It's a pity for them that they can't make the ladies see it that way: what a bonanza they would have this sun mer if they could only make the dear people see through their glasses; but the ladies will use their own judgment, and they

come here for their 25c sateens a good many times a day. Special sales are somewhat chestnutts but a very special sale of bustles at 10c apiece, lately sold at 25c, (they have but ne fault, their name is "Mikado," but that ustles-former price 37e-has some little reshness about it. Come in and get one Bustles, useful and ornamental, at 25c and

in the most approved makes, also or Ferhaps if you look over our corset stock you will find we sell some of the best cor-sets in the country at the very lowest prices ver quoted. We have laid out a whole lot of the best \$1 and \$1.25 goods, which are to be closed out at 50c a pair. wrong with them, you say. Yes, there is the boxes are broken and dust has settled on some of them, some of them are odd sizes of makes we have given up keeping out they are all bargains and won't stay

one with us at 50c a pair. These are busy days in our store. The glove department is rushing. Fabric loves and kid gloves, too, we are selling ery, very cheap. The hosiery department s busy. We have got what is wanted. That's the secret. The parasol counter is busy. Low prices account for it. The no-tion counter is busy; but that's always busy. We are busy all round. That is how we like to see it. It is easy to advertise two or three things specially cheap, but the best way after all is to have uniformly low

good qualities, all of which we certainly do
